University of California, Berkeley 2020-2024

## Visual Art

---

### Graphic Designer and Web Developer at SUPERB Productions. *Present*

SUPERB is dedicated to providing entertainment for the campus community. My responsibilities include producing animations, promotional flyers for social media, merchandise, and running our website: <http://www.superb.berkeley.edu/>

### Social Media Content Creator and Make-up Artist at Fashion and Student Trends, Berkeley. *Present*

Working with the FAST Beauty team to curate and film-themed looks to publish via social media platforms. Make-up artists for photoshoots and fashion shows.

### Freelance Logo and Album Designer, Fiverr. *Present*

Current services include vector drawings, logo concept design, and promotional poster design. Created album covers for songs published on online platforms Soundcloud, Apple Music, Spotify and Anghami. Created album covers for artist, Bayou.

### Singer/Songwriter. *Present*

Original songs published on online platforms: Apple Music, Spotify, Anghami, and SoundCloud

### Teacher, Ida Rieu School for Blind and Deaf, Pakistan. *November 2017-Present*

Working as student-teacher and creating original lesson plans for underprivileged deaf children in grades 3-5. Recently finished designing the art curriculum for elementary school for my AP Capstone Research diploma. Designed, established, and furnished first elementary school art room.

### TedxYouth Speaker. *April, 2017.*

Presented a talk titled, "We Can Do It!" on the importance of self-worth, healthy relationships, and responsible technology use to young girls; selected as one of only two freshmen out of 20 to give a talk at this event. [Link.](#)
